Darwin J. Baas Director **RE: Survey Activity Near South Kent Landfill**

Dear Dorr Township Resident,

Over the next several weeks you may see vehicles, workers and survey stakes on property owned by Kent County Department of Public Works (DPW). Please review the enclosed map of the property for the location of the survey work.

The work is intended to confirm property boundaries and right-of-ways; map soil profiles; identify utilities, roads and other existing infrastructure; and identify the natural areas and wetlands on the property. This is a site evaluation assessment for future land use consideration and is not part of an immediate construction project, the construction or expansion of the adjacent landfill owned and operated by Kent County.

The Kent County DPW recently hired local engineering consulting firm Fishbeck Thompson Carr & Huber to complete a site evaluation assessment and survey work on this property east of 14th St. between 108th Avenue and 146th Avenue.

If you have questions or concerns about this work, please contact Dar Baas at 616-632-7919 or Jeff Miling at 616-681-9874.

Respectfully yours,

Darwin Baas, Director Kent County DPW

Jeff Miling, Supervisor
